#### Support a Scholarship Member:

Our cohort of [Koru Scholars](#) bring colour, youth and diversity to our member community. We'd love to extend our scholarship program, adding a scholarship recipient to every team (just over half our teams have them now), but we need your help to do this.

Please donate directly to [The Gift Trust](#) (a registered charity), who run the scholarship fund on our behalf. Use the [‘Donate Now’](#) option on their website, complete your details, and when asked for the "Gift Account" you wish to donate to, type in **"Collective Intelligence Scholarship Fund"**.
